### EXPERTISE

President and Owner: Gayle Absi

Since 1999, ABSILtd Legal Technology, Ltd. has provided consulting services to support attorneys' use of technology in the practice of law. Prior to forming ABSILtd, founder Gayle Absi managed legal support services at British Petroleum's Cleveland-based law department. In her more than 25 years working within and with corporate law departments and law firms of all sizes, Ms. Absi has experience on a wide assortment of cases and has worked with a variety of vendors and legal teams. She has extensive experience in producing electronic records in litigation, and designing and managing databases. She has overseen complex software implementation, including multi-location software projects and has managed large volume document review teams.

ABSILtd Legal Technology, Ltd. has established relationships with companies to provide a full service offering.
